It is a tradition for alumni to return to their hometown high school for the homecoming football game. This year's homecoming for Old Rochester Regional was of no exception. Of the hundreds of people attending the game against the Seekonk Warriors, students, teachers, parents, none express the spirit of homecoming more than the alumni. That spirit is school spirit.

As a graduate of the class of 1987

says, "It's homecoming, you gotta come." Barry Denham, class of 1966, says his school spirit also lies within the love for his daughter, a senior at ORR. "In the yearbook, she'll see my truck and think of me." Mr. Denham has been supplying trucks and trailers to carry and pull the floats for years. Still yet another alumni from the class of 1988 has returned to reunite with her friends made during important formative four years of high school. She also came for the love for "the sound of the players as they crash for a tackle."

For the alumni, their school spirit developed years ago when they too

On the cover: The winning float at ORR High School's 1993 Homecoming Celebration was designed and built by the Senior Class and centered on an appropriate Halloween theme.

Top: Second Place honors went to the Junior Class float, whose theme was based on "Alice in Wonderland."

Middle: The Sophomore Class float depicted a train for their visual theme. Left: The Freshman Class utilized an Egyptian theme for their float.

walked the halls from one classroom to the next. The game itself may call them home but, to a member of the class of 1987, where only one game ended in triumph, school spirit does not rely on a successful season.

Spirit is developed during the successes of the individual student in academics, sports, friendships, and teachers's support. That spirit is harnessed and expressed during spirit week. For this year, ORR's week began with dress-up-day. First the juniors and sophomores on Wednesday, the seniors and freshmen on Thursday, and the teachers, accompanied by a stream of red and white students flowing through the halls, on Friday. Enthusiasm and participation were widespread. The fever of spirit continued to rise during the Friday afternoon rally. Students who believe in themselves, their class, and their school, supported each other in a furor of confetti, costumes, and hoots and howls that vibrated through the school.

Their spirit was also expressed in the sometimes arduous yet uplifting task of developing and creating the traditional homecoming floats. Carolyn Harwood and Rebecca Gayoski of the senior class, both of whom worked on their floats from its beginnings in August through to the end just a few days before the game. Mr. Harwood expressed the sentiment of the float's hard workers, "We're all tired and glad it's finally over." Ms. Gayoski commented that the support for the float among the students increased as the time came near for the parade and that, "without the support of the Becky Zora and Pat Harriman, none of this would have been accomplished."

At half-time, the score was 20-8 in favor of ORR and the excitement was exhilarating in part, because it was also time for the parade of floats. Reigning Homecoming King David Chase and Queen Joy Harri led the parade and were followed by nominated kings Brian Chase, Ben Taylor, and Albert Ting, and queens Crystal Walsh, Megan Poyant, Lindsay O'Connel, and Jackie Mendes. Next, of course, came the class floats. As the judging committee, consisting of alumni, parents, and teachers, handed Principal Egan the name of the winning float, he said, "it is a very difficult task in judging the floats but we have to judge." The crowd was silent as he announced that the senior float, with its Halloween theme and message "Bulldog Spirit Fear It!" had taken first place. The juniors' float took second.

The ORR Bulldogs buried the Warriors with a

final score of 34-8. The Bulldogs are now 4 and 0 and are headed for a promising season. Amongst all the cheers of exhilaration and joy, Homecoming would continue, and end, with the Homecoming Dance. There, the students celebrate themselves with music, dance, and the announcement of the Homecoming King and Queen; Albert Ting, Senior, and Jackie Mendes, Junior who will lead the Half-time parade in next year's Homecoming game.

Marion Special Town Meeting

October 12, 1993 — 7:00 pm

Sippican School Auditorium

A Special Town Meeting in Marion was called to order at 7:04 pm in the auditorium of the Sippican Elementary School by Town Moderator David B. Titus. Having secured a quorum of 50 voters, Mr. Titus called upon Planning Board member David K. Pierce to introduce the first article on the warrant:

"ARTICLE S1 — To see if the Town will vote to change the rotation of the terms of the members of the Planning Board commencing with the annual election to be held on April 29, 1994, by electing two members for three years and one member for one year at that election."

Mr. Pierce explained that through a vote of Town Meeting on April 24, 1989, the term of office for members of the Planning Board was changed from 5 to 3 years. The board recognized there might be a pending problem with keeping the rotation of newly-elected board members in line so that there was a certain continuity maintained on the board. "We are in a position now where we elect only one new members every three years," Mr. Pierce said. "With this new rotation, we'd elect three, three, two, two and three on a rotating basis."

The article was passed by a unanimous vote of Town Meeting floor.

The next article was introduced by Executive Secretary Ray E. Pickles:

"ARTICLE S2 — To see if the Town will vote to rescind the debt authorization by a motion on

Article 7 of the Annual Town Meeting."

Mr. Pickles noted that this article is essentially a "house keeping" item which would rescind the debt authorization approved at the last Town Meeting to purchase a new police cruiser. Since the vehicle was purchased through an override, the state requested that the debt authorization (borrowing) notice be removed from the town's books.

Resident Maurice Smith asked why there were two new cruisers purchased when only one was authorized at the Annual Town Meeting. Mr. Pickles explained that one was approved as part of the regular Town Meeting warrant and the other was approved as part of the Special Town Meeting warrant voted at the same time.

There being no further discussion, the article was passed by a majority vote of Town Meeting floor.

Dougall then introduced the next article:

"ARTICLE S3 — To see if the Town will vote to authorize the Board of Selectmen to accept by gift, acquire by purchase, or in any other manner acquire and, upon such terms and conditions as the Board of Selectmen deems advisable, a parcel of land on the easterly side of Oakdale Avenue for the purpose of expansion of the Town's sewage collection system and to authorize the Board of Selectmen to acquire temporary and permanent easements over the Tremont Advent Christian Camp Association property for the installation of gravity and force main sewers."

Mr. Dougall noted that the residents of Oakdale Avenue and the property owners of the Tremont Advent Christian Camp Association petitioned the town to tie into a sewer extension line, a project which would be paid for through betterments. In exchange for the town's acquisition of a 12,873 square foot lot at the foot of Oakdale Avenue, the town has agreed to reduce the betterments to members of the camp association by \$4,500 each year, totalling \$90,000 over the next 20 years.

Resident Maurice Smith wanted to clarify if the \$90,000 piece of property was to be used to located a Pumping Station, and Mr. Dougall consented that it was.

"The property we would purchase is adjacent to the lot where the Pumping Station will be located," he said. "The property would give a right of way to the property."

Carol E. Garey of the Finance Committee noted that her board has held its recommendation on this article until the Special Town Meeting because they had some questions about purchasing the property from the camp association. "We now feel the town is gaining a viable, saleable piece of waterfront property," she said.

Although there was some confusion as to the total cost of the project, Mr. Pickles clarified the matter. "The total project cost is \$400,000 which will be reduced through betterments of 51 taxpayers in the area," he said. "The town will be picking up the betterments of \$4,500 a year from the camp association in exchange for the property."

There being no further discussion on the matter, the article was passed by a majority vote of Town Meeting floor.

Selectman Schaefer introduced the next and final article on the warrant:

"ARTICLE S4 — To see if the Town will vote to raise and appropriate the sum of \$5,500 at one time or from time to time, upon pursuant to Chapter 44 of the General Laws, as amended and supplemented; or take any other enabling authority and to issue notes or bonds of the Town therefore, repayment of this debt shall be assessed as betterments against the property owners having frontage on Ichabod Lane."

Ms. Schaefer explained that the residents of Ichabod Lane petitioned the town in July, 1991 to make improvements on their private way. The cost for this \$75,000 project was approved at the Annual Town Meeting on April 28, 1992 and was to be paid

through betterments assessed to the residents. Since that time, some additional expenses were incurred, and this article would appropriate the remaining \$5,500 to complete the project.

Resident Maurice Smith moved that this article be tabled as there is some questions as to its legality under Massachusetts General Laws. Mr. Pickles noted that all the articles on the Special Town Meeting warrant had been reviewed and approved by Town Counsel prior to being posted.

Although Mr. Smith's motion was seconded, it was defeated by a majority vote of Town Meeting floor.

Resident Katherine Kozicki of Ichabod Lane said she was dismayed that the motion to table the article had been defeated and she was concerned that one of the items included in the \$5,500 was replacement of a fire hydrant on the street. "Why, as residents and taxpayers of the town, are we being assessed for the repair of a fire hydrant?" she asked.

Department of Public Works Superintendent Rob Zora noted that the hydrant had to be moved as part of the road work and since it was rather old, it needed to be replaced. "It's a private development and the residents are responsible for the replacement and repair of anything on the road," he said.

Resident James Murray of Ichabod Lane asked for a breakdown of the costs included in the \$5,500. Selectman Schaefer noted that there wasn't an actual breakdown in terms of the overage, as the final cost of the project was \$80,322.59. The actual overrun was approximately \$5,322.59.

Mr. Murray again called for the defeat of this additional expenditure on the grounds that it was part of the original article approved at the 1992 Annual Town Meeting. "I think this \$5,500 should be defeated," he said. "When the project was first approved by Town Meeting, it was estimated at one price ... now that has increased."

Resident Abel Rodrigues noted that there had been enough arguing over the issue and asked to call the question, at which point Mr. Titus closed further discussion on the matter. The article was thereby passed with a majority vote of Town Meeting floor.

Before adjourning for the evening, Mr. Titus thanked the League of Women Voters for providing everyone with copies of Parliamentary Procedures for the evening and Selectman Schaefer also noted that the new cushioned chairs were a welcomed addition to the Town Meeting setting. The Special Town Meeting was then adjourned for the evening at 7:40 pm.

town's Communication Center. Chairwoman Hawkes expressed her concern regarding the new regulations for the NCIC systems training and her present pregnant condition. "I don't want to see you in a situation in which you'd get hurt," she said. Such concerns were not considered detrimental to her appointment.

The board then addressed the incoming correspondence for the week, including:

- Information from the Department of Education to Old Colony Regional regarding the requirements of regional school districts to credit each member's assessment by the amount of any equity aid received by the district.

- Information from the Department of Education to the ORR Regional School District Superintendent's office regarding Emergency Regulations for Selectmen's Municipal Collective Bargaining Representatives in regional school districts.

The board then met with Police Chief Walter V. Denham and John P. Doherty, NCIC Control Terminal Officer. Mr. Doherty presented a well-organized rundown of the necessity, guidelines, and funding for the National Criminal Information Center (NCIC) which connects the town to criminal justice and FBI data banks and information systems. Mr. Doherty also stated that Rochester was the only town in southeastern Massachusetts that is not connected to the system and that he has been wanting to connect the town since Governor King was in office.

The system will cost the town approximately \$3,000 with free installation and training, a two- to three-year warranty, and supplemented by the state. Chairwoman Hawkes expressed her concern that if the town did not act now, the state funding would be lost.

Mr. Doherty confirmed her concerns and added that the funded system would be installed in another municipality on the waiting list if not taken by Rochester.

One major concern centered around a regulation for the system that requires each terminal

to be under the control of a criminal justice administrator, namely, the Police Chief. As the town employs civilian dispatchers, some confusion developed. But Mr. Doherty assured the board that with training and background check and direct supervision, the town would not have a problem.

Another concern centered around the modifications needed to fit the system. Currently, the town does not have the funding to hire a contractor and their alternative, Old Colony Regional, could not fit the town in their schedule. Selectman Murphy suggested the initial installation be in the trailer just outside the department. Mr. Doherty, in response, said the town's management control issues would dissolve. The board then unanimously agreed to adopt the NCIC system.

The board next met with Diane Cunningham, Director of the Council on Aging, regarding the COA van, a 1986 Chevy Sports Van. Ms. Cunningham requested the board to add a line item for van

repairs for FY 1995.

As the reliability of donated funds is becoming more and more questionable, Ms. Cunningham also requested permission to transfer COA funds from the budget to repair the brakes and tires as needed and also toyed with the idea of purchasing a new van in the future. FinCom Chairwoman Ryan stated that consideration for a new van is currently underway and supported Ms. Cunningham's request for repairs. The board unanimously authorized the repairs as requested and added a line to Article 4 of the upcoming Special Town Meeting warrant.

The board next met with Ralph Perry and John VanReenen regarding the utilization of the field on Dexter Lane for Little League (Boys and Girls). Mr. Perry had contacted the Coca-Cola Company with a request for funding as the company did for North Dartmouth. Mr. Perry asked the board to sign a request form as "it's a hassle for the girls' team to play only in the summer while the boys play in the spring." The board granted and unanimously signed the request form.

At 8:45 pm the board went into Executive Session to discuss ongoing Police Bargaining agreements and would reconvene only to adjourn for the evening.

Marion. Also adopted this week were an all-white female kitten, a black and white female and two tigers and one adult, orange and white male.

This week, our friends at the local chapter of Animal Umbrella would like to offer these gems to entice you:

- A four and a half month old tiger kitten named "Wobbly Winnie" by her foster mom. Winnie was trapped and brought to the hospital to be spayed and later released. Upon dismissal it was realized that she had developed an inner ear problem and could not walk a straight line. Obviously she could not be on her own, so she was placed in a Dartmouth foster home until her problem subsided. She is now very tame and lovable and is looking for a permanent home situation. If you would like to know more about Winnie, please call Diane East at 997-4037.

- Two part-Persian kittens — one all-smoky-gray female and one all-black male who is very furry and fluffy. Call 763-8788.

- Five all gray and white kittens. Call 997-4037.

- Two white male kittens with orange blob on their heads.

- Two Calicos — one gray, white and orange, the other white with black and gray patches.

- Two orange and white bob tail males (a great pair!).

- Three- to four-month-old kittens: one a real pretty Calico; one cream, gray and white Calico; and one mostly white with orange and black on tail and head.

Adult offerings this week include:

- Mother and son combo which would like to be placed together but will separate to save them. Their owner is moving to care for an ill family member and cannot take them with her. Both have been spayed and neutered recently and have had all their shots.

From our private pet owner bin this week, "Kitty" is looking for a home. She's a semi-long-haired cat with a fluffy tail and is dark buff colored with an orange tint. She's four months old. She was abandoned when she was only five weeks old by someone who moved away and her current owner took her in. She's very fond of her but can't keep her.

"Kitty" needs a kind and loving person or family to live with. She loves gentle children and other cats. She needs a safe yard on a very quiet street. She's very frisky and loves to run and leap and explore. She's had all her shots and is box trained. If you're interested in giving Kitty a new home, please call 758-4459.

The Wanderer would like to remind other private pet owners that they can use this free space to find a new home for pets they may have to part with due to a change in living arrangements, new babies, or the like. Simply write up a full description of the animal and drop it off at our office (55 County Road, Route 6) or mail it to P.O. Box 102, Mattapoisett, MA 02739. Please note: this is only for

ORR Students Commended in 1994 Merit Program

Principal James Egan of ORR High School announced that Ryan P. Abraham of Rochester, Courtney M. Hohne of Mattapoisett, Rachel M. Rounseville of Rochester, and Albert H. Ting of Mattapoisett have been named Commended Students in the 1994 National Merit Scholarship Program. A Letter of Commendation from National Merit Scholarship Corporation (NMSC), which conducts the program, will be presented by the school to these outstanding seniors at Senior Awards Night in the spring.

About 35,000 Commended Students throughout the nation are being honored for their outstanding performance on the 1992 Preliminary SAT/National Merit Scholarship Qualifying Test, which was the route of entry to the 1994 Merit Program. Commended Students have shown exceptional academic promise by placing among the top five percent of more than one million program entrants; however, their qualifying test scores are slightly below the level required to continue in the competition for Merit Scholarships to be awarded in 1994.

October 23's awareness hour will feature a short film that highlights the ways in which family members try — in vain — to control the behavior of family members with addictions. The film explores the theme of enmeshed relationships — where individuals are overly focused on trying to control others' feelings and actions.

The second awareness hour in the series, to be held on Saturday, November 6, is titled "Live and Let Live: Techniques and Practices," and will feature a panel discussion.

The awareness hours are facilitated by Dr. Arthur Sklut and Ms. Nancy Mahoney of the Marion Center Associates. For further information, please call 748-2850.

resident needed eye glasses also and the Board voted to purchase a pair for her. The Club only makes these purchases when an individual demonstrates the need and is unable to afford them.

On another issue, the Board voted to donate \$200 to the ORR Cross Country Team for warm-up suits.

It was voted to hold a Spaghetti Supper on October 23 from 5:00 to 7:00 pm at St. Anthony's Parish Hall. The proceeds will be given to the New Bedford Kiwanis Club to help them with their project for a Helipad at St. Luke's Hospital. The Helipad is used to evacuate individuals by helicopter to Boston for advanced medical treatment in emergencies. Club members will be needed to help with the preparation and serving. If you would like to volunteer your support, kindly contact Lion Clay King or KL Tom Muldoon.

Club Meeting

The next club meeting will be held on Wednesday, October 27 at Antone's. Guest speaker will be Arthur O'Neil from the Carroll Institute for the Blind. Social hour will begin at 6:00 pm and dinner will be served at 7:00 pm.

Marion SHARE

Pick-up for the next Marion SHARE is Saturday, October 23 from 12:00 noon to 1:00 pm. Registration for the November 20 package can be made on that day or on Monday, November 1 between 11:30 am and 12:30 pm. Remember to bring your signed slips for volunteer hours plus \$14 cash or food stamps (no checks, please).

great number of such residents but would not like to miss anyone. Our Outreach volunteers make contact with these people at least once a month. Please call the COA office (758-4110) with any Mattapoisett residents' names who might like a visit.

Volunteers

We have happily had a few volunteers step forward in recent weeks, but are still in need of a few more. We need people to shop with the visually impaired when the van goes to the mall. We also need people to read to the visually impaired. This can be only one to two hours a week. They are unable to read the local papers, thus do not know about several programs that are offered.

Tri-County Music Association Tickets

We have several free tickets to upcoming concerts all of which will be in the afternoon this year. Please call 758-4110 or come in if you are an interested Mattapoisett senior.

Flu Clinic for Marion Residents

Flu Shots will be given on Wednesday, October 27 at the Sippican School cafeteria from 1:00 pm to 3:00 pm for anyone 65 years or older, or anyone with a chronic illness. No children, please. These shots are FREE to Marion residents.

Health experts are forecasting a severe epidemic this fall and winter and are recommending flu shots for senior citizens and others at high risk. Residents of nursing homes, chronic care facilities, and adults with asthma, emphysema, bronchitis, diabetes, heart conditions, or kidney disease are good candidates for flu shots. However, persons who are allergic to eggs should not receive the shots since the vaccine is made from highly purified egg-grown viruses. This vaccine cannot cause the flu.

Meals on Wheels

The Sippican School will be the site for the Meals on Wheels program. Seniors are also welcome to come for lunch at the school cafeteria at 11:25 am. The cost for the lunch is only 75 cents.

presentations at the New England Kindergarten Conference sponsored by Lesley College on November 18 - 20, 1993.

Barbara Holland Moody, Project GROW teacher in Marion, will be a panelist for the presentation entitled, "The Work Sampling System: An Authentic Assessment Process." The panel will deal with what teachers, paraprofessionals and therapists should know about the Work Sampling System, developed by Sam Meisels. There will be an explanation on the three components: portfolios, development checklists and summary reports. Barbara will detail how the system is implemented in integrated preschool classroom and describe the involvement of families and children in the process.

In Mattapoisett, Principal John Murphy and teachers Rosemary Bowman, Yolanda Lesco, Patricia Muldoon, Judith Proctor and Suzanne Sylvester will participate in a session entitled, "Developing Multiple Talents and Giftedness in Young Children," moderated by Janis R. Baron, facilitator of Talents Unlimited, a model program of the National Diffusion Network located in Andover, MA.

The panel will present, for teachers of grade level groups, strategies for the development of higher level thinking activities related to a school's curriculum. There will be an administrative group led by John Murphy. For those interested in discussing staff development opportunities, the Center School in Mattapoisett serves as a demonstration site for Talents Unlimited.

The Town of Mattapoisett, acting through its Board of Health, the Awarding Authority, invites sealed bids for construction of an EQUIPMENT STORAGE BUILDING, in accordance with Contract Documents prepared by the Awarding Authority.

Sealed proposals submitted in duplicate on forms furnished by the Awarding Authority and clearly identified as bid, endorsed with the name and address of the bidder and the name of the project will be received at the Board of Health Office, Mattapoisett Town Hall, 16 Main Street, Mattapoisett, MA 02739 until the times and dates specified below and will forthwith be publicly opened and read aloud.

Sealed bids for the General Contract will be received until 2:00 pm Thursday, November 4, 1993.

Bids will only be considered from bidders who have been certified by the Massachusetts Division of Capital Planning and Operations for the category of work and the dollar amount of this project.

General bids hand delivered or mailed to:

Board of Health

Town Hall

16 Main Street

Mattapoisett, MA 02739

Two copies of the bid form shall be properly filled out, signed and inserted in a sealed envelope containing the Bid Security specified herein.

All bids must be received by the Awarding Authority prior to the time specified for the opening.

The project includes: The construction of a 3,240 sq. ft. pre-engineered metal building for use as a construction equipment storage building with related mechanical and site work. No filed Sub-Bids are required on this project.

Every general bid shall be accompanied by a bid bond similar to A.I.A. Document A310, or cash, or certified check, or a treasurer's check or cashier's check, issued by a responsible bank or trust company, payable to the Town of Mattapoisett, Massachusetts, in an amount not less than five (5%) percent of the bid amount.

General Bidders and Sub-Bidders may obtain one (1) complete set of Contract Documents at the office of the Board of Health upon deposit of \$20.00 per set in the form of a money order or certified cashier's or treasurer's check made payable to the Town of Mattapoisett on or after Monday, October 18, 1993. No partial sets of Documents will be issued. Additional complete sets may be purchased for \$20.00 per set, non-refundable.

The full amount of the deposit will be refunded to all bidders returning the Contract Documents to the office of the Awarding Authority in good condition within thirty (30) days after date opening. Otherwise, the deposit shall become the property of the Town of Mattapoisett.

The bidding documents may be examined at but not removed or taken from the following locations during normal business hours: Board of Health, Town of Mattapoisett, 16 Main Street, Mattapoisett, MA 02739.

Each bidder shall visit the site of the proposed work and shall fully acquaint himself with the conditions as they exist and shall also thoroughly examine the Contract Documents. Failure of any bidder to visit the site and acquaint himself with the Contract Documents shall in no way relieve bidder from any obligation with respect to his bid.

The successful General Bidder will be required to furnish a performance bond and a labor and materials payment bond issued by a surety company authorized to do business in Massachusetts and satisfactory to the Awarding Authority, each bond being in the amount of 100 percent of the Contract Price.

The minimum wages to be paid mechanics, apprentices, teamsters, chauffeurs, and laborers on the project are established by a schedule issued by the Commissioner of Labor and Industries, which schedule will be made a part of the contract for the project. A copy of the schedule is included in the Contract Documents.

The successful bidder must agree to commence work and complete work in accordance with the dates set forth in the Contract Documents.

The Awarding Authority reserves the right to reject any or all General Bids if it be in the public interest to do so.

May the Sacred Heart of Jesus be adored, glorified, loved and
preserved throughout the world now and forever. Sacred Heart of
Jesus, pray for us. St. Jude, worker of miracles, pray for us. St. Jude,
help of the hopeless, pray for us.

Say this prayer 9 times a day. By the 8th day your prayer will be
answered. Say it for 9 days. It has never been known to fail.
Publication must be promised. Thank You, St. Jude. G.N.

A PRAYER TO THE BLESSED VIRGIN

O most beautiful flower of Mount Carmel, fruitful vine, splendor of
Heaven, Blessed Mother of the Son of God. Immaculate Virgin assist
me in my necessity. O Star of the Sea, help me and show me here you
are my mother. O Holy Mary, Mother of God, Queen of Heaven and
Earth, I humbly beseech you from the bottom of my heart to secure me
in my necessity (make request). There are none that can withstand
your power. O Mary conceived without sin pray for us who have
recourse to thee (3 times). Holy Mary, I place this cause in her hands
(3 times). Say this prayer for three consecutive days and then you
must publish; it will be granted to you. S.H.

A powerful prayer to the Holy Spirit -

Holy Spirit, you who solve all problems, who light all roads so I can
attain my goals, you who give me the divine gifts to forgive and forget
all evil against me, in this short prayer, to thank you for all things and
confirm once again that I never want to be separated from you, even in
spite of all material illusions. I wish to be with you in eternal glory,
thank you for your mercy towards me and mine. The person must say
this prayer for three consecutive days. After three days, the favor
requested will be granted, even if it may appear difficult. This prayer
must be published immediately after the favor is granted without
mentioning the favor. Only your initials shall appear at the bottom.L.M.

Tobey Hospital Improves Maternity Unit

To better meet the needs of area parents, Tobey Hospital has expanded its prenatal and parenting education series, offering a variety of new classes on topics that range from breastfeeding and early pregnancy to infant care and a post-partum support group.

Tobey's Maternity Unit has also undergone refurbishing that is the first stage in a major expansion/renovation plan for the hospital's maternity service. The Post-Partum area has been completely redone with new paint, soft, pastel wallpaper, curtains and a new nursing station. The labor/delivery area, which has also been completely redecorated, now includes two new, private, Labor/Delivery/Recovery rooms.

"We have one of the fastest-growing maternity services in the area and we expect this trend to continue," said Joyce Pelletier, RN, Manager of Maternal/Child Health. "Our nurses, obstetricians and certified nurse midwives have always worked hard to give our patients the most personal and supportive care possible. Our renovations and our expanded education program enhance these services even more."

The hospital has published a brochure, outlining details of all the Maternal/Child Health Programs, along with a special Maternal/Child Health Care Line. To receive a FREE copy, or for any information about Tobey Hospital's family-centered maternity services, call 291-3716.
